

RETRACTABLE

3800-6600 LBS. CAPACITY

PLATFORMS UP TO 84 x 94"

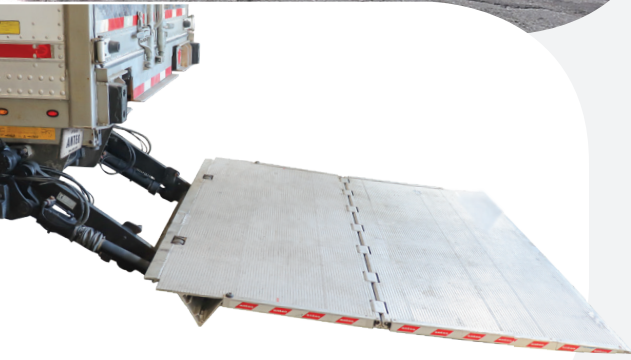

MODEL F3RE66 EA70 ▶

The Anteo® Retractable Series—with 3800-6600 pounds of lifting power, aluminum sliders, five cylinders, memory-tilt, and platforms up to an incredible 84 inches deep—is the world's premier retractable liftgate line.

QUICK FACTS*

DYNAMIC LEVELING

The Retractable features dynamic leveling, allowing its operator to keep loads level across nearly any grade.

MEMORY SETTING

In addition, platform angles can be set, resulting in simple operation of the liftgate when loading/unloading in multiple cycles.

LARGE PLATFORMS

Large folding platforms, ranging from 62 x 94-inches to 84 x 94-inches that can fit bed heights from 35- to 60-inches, provide flexibility for a variety of applications and loads.

OPTIONS AVAILABLE

Nordic oil, platform flags, and pendant control come standard on all models. Optional power down, foot controls, cart stops, and more make the F3RE Series highly customizable.
